

Senior Project, Fall 2021 - Bug #977

Implementation of LXC

10/14/2021 04:00 PM - Timur Rakhimzhan

| | | | |
|---|------------------|------------------------|------------|
| Status: | New | Start date: | 10/05/2021 |
| Priority: | Normal | Due date: | 10/14/2021 |
| Assignee: | Timur Rakhimzhan | % Done: | 100% |
| Category: | | Estimated time: | 0:00 hour |
| Target version: | | Spent time: | 0:00 hour |
| Description | | | |
| Finish the lxc and android deployment. Please check whether the VMM works with the LXC, or we have to write the task forwarding by ourselves. A demonstration is preferred (if possible). Please upload the android image to the archive when it is ready | | | |
